Anticipated Eligibility: Applicants who lack thirty days, or less, of meeting the minimum qualifications by the date of the examination will be admitted conditionally to the examination. However, proof of the additional days' qualification must be submitted prior to the establishment of the eligible list.

Job Description: Work involves direct day-to-day supervision and planning of work for the Cities Department of Public Works which includes streets, sewers, water, sidewalks, parks, buildings, and other public work functions. Work includes participation in actual work efforts and includes inspections, laboratory, equipment maintenance and repair, equipment operation, operation coverage and other duties. Work is performed under the direction of the Superintendent of Public Works and involves direct supervision over the work of others. Does related work as required.

Background Investigation: Candidates may be subject to a thorough background investigation to determine suitability for appointment. Applicants may be required to authorize access to educational, employment, criminal history and other record checks as part of such investigation. Criminal convictions or other offenses are subject to evaluation and may result in disqualification.

Subject of Examination:

Maintenance and reconstruction of streets, sidewalks, and curbs: These questions test for knowledge of the proper methods, materials, and equipment used in the installation, repair, and upkeep of street surfaces, utility

access holes, gutters, catch basins, curbing, and sidewalks, including ice and snow removal and control.

Maintenance and construction of sanitary and storm sewer systems: These questions test for knowledge of the proper methods, materials, and equipment used in the installation, maintenance, repair, and cleaning of sanitary and storm sewers, catch basins, and related appurtenances; and proper trenching and backfilling procedures.

Safety practices: These questions test for knowledge of and the ability to apply safety principles related to public works construction zones, including traffic control, safe use of equipment, and the overall safety of workers, the traveling public, and the work environment.

Plans, specifications, and technical instructions: These questions test for the ability to understand, analyze, and perform computations based on technical drawings and written presentations related to public works projects. All the information needed to answer the questions will be provided in the written material and/or drawings.

Scheduling work and equipment: These questions test for knowledge of work scheduling principles and for the ability to arrange work and equipment assignments in a manner that will achieve work goals while staying within scheduling criteria. This may include setting up vacation or work schedules, taking into consideration such factors as seniority, work skills, duty hours, and shift coverage.

Administrative supervision: These questions test for knowledge of the principles and practices involved in directing the activities of a large subordinate staff, including subordinate supervisors. Questions relate to the personal interactions between an upper level supervisor and their subordinate supervisors in the accomplishment of objectives. These questions cover such areas as assigning work to and coordinating the activities of several units, establishing and guiding staff development programs, evaluating the performance of subordinate supervisors, and maintaining relationships with other organizational sections.

Use of calculators is recommended.

Test guide: The New York State Department of Civil Service has not prepared a test guide for this examination. However, candidates may find information in the publication 'General Guide to Written Tests' helpful in preparing for this test. This publication is available on line at: <https://www.cs.ny.gov/testing/testguides.cfm>.

Applications and further information may be obtained by visiting the City of Norwich Department of Human Resources website at <https://www.norwichnewyork.net/government/human-resources.php>.

It is the candidate's responsibility to keep their contact information (email address, phone number & USPS mailing address) current. To be considered for preference in certification based on residency, you must include the city you live in.
